Contributions and gifts to OPhA are not tax deductible as charitable contributions for income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying activities. OPhA estimates that the nondeductible portion of your 2010 dues, which is allocated to lobbying, is 26%

Please fax or mail the completed application to OPhA.

OPhA Members Say...

“We need to make sure we support OPhA so we continue to have a voice in the legislature. I think it’s important to have people within the profession that you can rely on.”

--Mark Feightner, DPh
